

PRESERVATION CASCADE ANNUAL MEETING NOTICE AND MEMBERSHIP PLEA

Dear Loyal Friends of the historic ARCH Bridge:

We are deeply sorry that we must postpone our Annual Meeting. With Coronavirus risk levels still high, it is best that we wait to gather to celebrate our successes and plan for our future.

The good news is that our Baluster Project has been completed. Let's finish the South Access in 2022! Once Great Falls is connected to Black Eagle via our historic ARCH Bridge, we will truly be part of the popular Rivers Edge Trail.

Your continued support is important. Membership dues are still \$30/person \$50/family and tax deductible donations are welcome in any amount.

Please mail a check to the address below, or renew/join online at our newly updated website: montanas-archbridge.org.
